

# Assessor Upskilling

## Programme Content:

The programme is a half-day session and ideally run with 12 delegates to allow for positive interaction between participants.

Content will include:

1. **Assessor Award:**
  - What are the new standards?
  - What has changed?
  - What is Occupational Competence?
  - Who is affected by the changes?
  - Currency of D32/33 units
  - Mapping old to new
  - Frequently asked questions
2. **Internal Verifier Award:**
  - What are the new standards?
  - What has changed?
  - Internal Verifier Competence
  - Independent Assessment
  - Additional IV duties in V1
  - Who is affected by the changes?
  - Currency of D34 unit

## Learning Outcomes:

Delegates will achieve the following:

- Familiarisation with new standards
- Identification of differences between old and new standards
- Ability and confidence to operate towards new standards
- Awareness of Occupational Competence issues in relation to new standards
- Dual Certification with OCR/TSW

## Target Audience:

Current D32/33/34 qualified Assessors and Verifiers

## Tutors:

### Karen Thomas (Lead Tutor)

For the last 9 years Karen has been an RSA/OCR External Verifier for NVQs and Key Skills and has been involved in DFEE Project EV Wales, Compliance EV UK and Skills Moderator South & West Wales. In addition Karen has a MEd, FE Teaching Certificate and is TDLB qualified up to NVQ level 4 and Diploma.

### John Nash

As a Training and Development Adviser with TSW for the last 12 years, John has extensive experience of the delivery of NVQs. John has sound knowledge of quality issues as an Internal Quality Auditor, is an MSDA Pilot Project Co-ordinator, holds an ISM Diploma in Management and is TDLB qualified up to D34.

## Venue:

Programmes can either be delivered at client sites, alternative venues or TSW as appropriate. Our facility at Fairwood House offers a comprehensive suite of air-conditioned conference and training facilities, with three training rooms available for the use of delegates from groups of four to fifty in either conference, workshop or seminar format. Each room is fully equipped and offers adjoining syndicate rooms and access for disabled delegates.
